Your old hearing aids can be put to good use by HEAR Now. All donations are tax deductible.

Donated hearing aids can be used in a variety of ways. BTEs in very good condition can be refurbished and redistributed to those served by the Starkey Hearing Foundation. Aids unable to be refurbished can be very valuable for their various parts. The Starkey Hearing Foundation provides hearing aids to those in the United States and beyond US borders who are in need.

All donations are valuable in continuing the Foundation's effort "So the World May Hear."
